

21-813 Sabine River Authority

Agency Description

The Sabine River Authority has only one program, Sabine River Authority Program. Therefore the mission and goals of the Sabine River Authority are the same as those listed for the program in the program description that follows. The Sabine River Authority provides economic development, public recreation, and hydroelectric power and water for agricultural and industrial uses through the use of the Sabine River and its tributaries. Sabine River Authority is an ancillary agency of the Department of Transportation and Development.
